What is Brunata Online?

Brunata Online is a platform where residents can track their daily consumption. This makes it easier for them to save money and contribute to a better environment. Brunata Online is available as a web platform and mobile app.

Residents can access:

- Complete overview of water, heating, electricity consumption, etc.
- Notifications if consumption deviates from normal
- Consumption in individual rooms and on individual meters
- Consumption on any meter on a specific date
- Total overview of all consumption bills and notifications
- Tips and tricks on how to save energy in daily life

How to get access to Brunata Online?

To access Brunata Online, go to online.brunata.com, enter your username (email) and password.

To be able to log in, you must have received an e-mail or activation letter from your building administrator.

If you have received an activation e-mail:

1. Go to your e-mail inbox and find a mail from noreply@brunata.com
2. Click on the activation link
3. Enter your mobile phone number
4. Enter your desired password
5. Click *Create*
6. Go to online.brunata.com to log in

Invitation to Brunata Online Resident Portal

Brunata

Dear Jørgensen,

Welcome to Brunata Online

The administrator of your building has given you access to Brunata Online, where you can follow the development of your personal energy consumption. This will make it easier for you to make decisions about how you can reduce your energy and resource consumption on an informed basis for the benefit of both the environment and your energy bill. With Brunata Online you can:

- Track your usage data in readable graphs and tables
- View your usage on a daily, weekly, monthly, and yearly basis
- Compare your consumption with other periods
- Gather all your bills in one place

Your username is: mars@brunata.com

All you have to do is click on the link below to activate your invitation before Mar 17, 2022:

https://online-dev.brunata.com/new-user/resident?email=mars@brunata.com&activation_code=0HV7VGH2

If you have any questions, please visit www.brunata.dk

Best regards
Brunata

If you have received an activation letter:

1. Go to online.brunata.com
2. Click *New user* button
3. Confirm that you are a resident to go to the Profile Activation page
4. Fill out the fields to create your login profile:
 1. The received activation code
 2. Your preferred w-mail address
 3. Your mobile number (not mandatory)
 4. Your desired password
5. Click *Create*
6. Go to your e-mail inbox and find a mail from noreply@brunata.com
7. Click on the verification link and your account is ready to use

I forgot my password

To reset a forgotten password, go to online.brunata.com and click the *Log in* button and go through the following steps:

1. Click on *Forgot your password?* under Username and Password tabs
2. Enter your username associated with your Brunata account and click on *Continue*
3. Enter your e-mail and click the *Send Verification code* button
4. Go to your e-mail inbox and find the e-mail from Brunata with the verification code
5. Enter the verification code
6. Click on the *Verify code* button and then *Continue* to go to the Reset password page
7. Enter new password in both fields and click *Continue*

Your changes have now been saved, and you can now log in.

Consumption Overview

The Consumption overview provides you with a complete overview of the consumption in your

location through data from your digital meters and sensors, displayed in user friendly graphs.

Archive

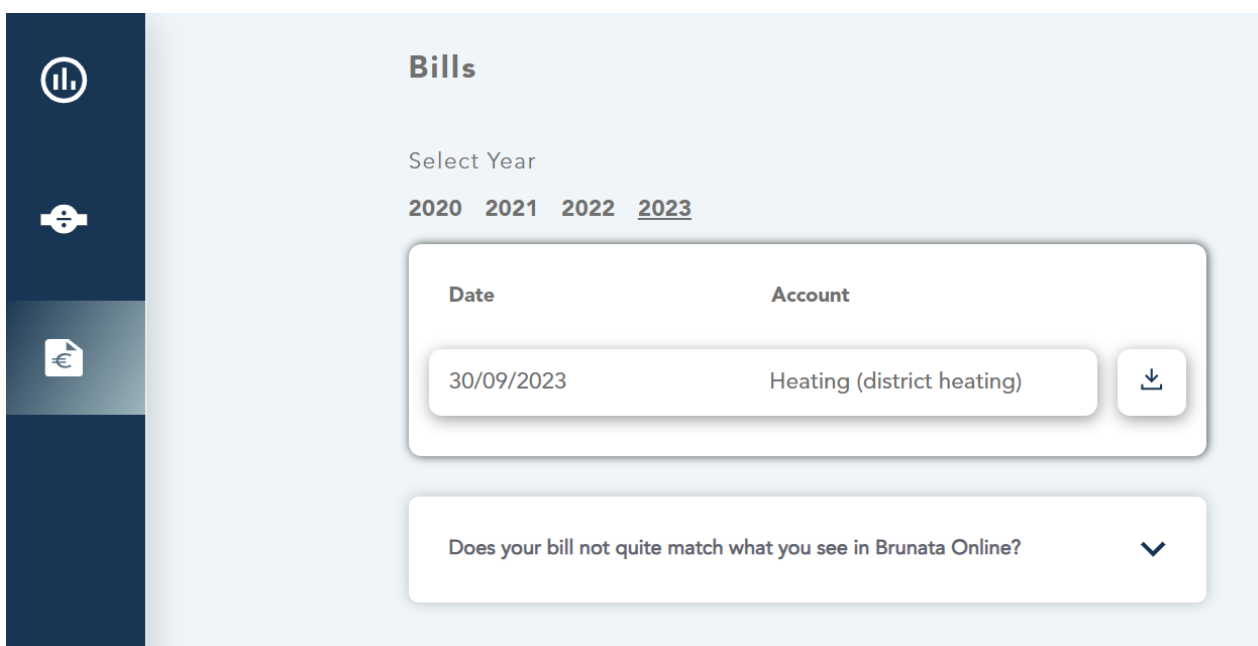

The archive contains the consumption bills for the individual residence together with the consumption notifications that are sent to all residents frequently, if that is a part of the agreement with Brunata.

Bills

The bills section gives you an overview of all your previous consumption bills created by Brunata. Select the year you want to see and click on the download icon to see a pdf version of the bill.

Consumption notifications

All the consumption notifications that have been sent to you from Brunata on behalf of your administrator, are archived in this section. Click on the download icon next to the notification you wish to see to download it as a pdf.
